Warrant Registrar

Thailand Securities Depository Company Limited (TSD) or any person duly appointed by the Company to act as the registrar of the Warrants (the “**Warrant Registrar**”).

Dilution effects

The ordinary shares to be issued upon exercising the Warrants will have the same rights and benefits as that of the already issued and fully paid-up ordinary shares in every aspect. Any rights to be vested upon being shareholders from the exercise of the Warrants will be effective from the day that the Ministry of Commerce accepts to register the change of paid-up capital of the Company for the new ordinary share issued upon exercising the Warrants and the Company’s registrar registers the shares issued upon exercising the Warrants.

As the Company will allot MINT-W8 together with MINT-W9, therefore the dilution effect to the existing shareholders shall be considered based on the assumptions as follows:

Case 1: To issue and allocate MINT-W8 together with MINT-W9 and the existing shareholders exercise their right for the entire MINT-W8 and MINT-W9. This case has no dilution effect to the existing shareholders (Control Dilution).

Case 2: To issue and allocate MINT-W8 only and MINT-W8 changes from the existing shareholders of the Company to other investors, in which the other investors will fully exercise MINT-W8.

Case 3: To issue and allocate MINT-W9 only and MINT-W9 changes from the existing shareholders of the Company to other investors, in which the other investors will fully exercise MINT-W9

Case 4: To issue and allocate MINT-W8 and MINT-W9, and MINT-W8 and MINT-W9 change from the existing shareholders of the Company to other investors, in which the other investors will fully exercise MINT-W8 and MINT-W9

Control Dilution

After the issuance and allocation of MINT-W8 and MINT-W9 and all of the existing shareholders have exercised their right for the entire MINT-W8 and/or MINT-W9, the shareholding of the existing shareholders will be diluted (Control Dilution).

The Control Dilution was calculated based on the following formula

$$\text{Control Dilution} = 1 - [Q0 / (Q0+ Qn)]$$

Q0 = Total existing paid-up ordinary shares amounting approximately 5,191,597,430 shares

Qn = Number of shares increase to support the exercise of MINT-W8 and/or MINT-W9 as follows:

- Case 2 (Qw2) : 179,020,602 shares increased from the entire exercise of MINT-W8
- Case 3 (Qw3) : 162,237,420 shares increased from the entire exercise of MINT-W9
- Case 4 (Qw4) : 341,258,022 shares increased from the entire exercise of MINT-W8 and MINT-W9

Case 1	No control dilution effect
Case 2	The existing shareholders will be diluted by 3.33%
Case 3	The existing shareholders will be diluted by 3.03%
Case 4	The existing shareholders will be diluted by 6.17%

Price Dilution

After the issuance and allocation of MINT-W8 and/or MINT-W9, the price dilution was calculated based on the following formula

$$\text{Price dilution} = (P_0 - P_n) / P_0$$

P_0 = Market Price before the offering calculates from weighted average market price 15 trading days prior to the date of the Board of Directors meeting on 25 February 2021 (From 3-24 February 2021) which is equal to 29.10 Baht per share.

P_n = The average price per share after the exercise of MINT-W8 and/or MINT-W9 as follows:

- Case 1 and 4 : $[(P_0Q_0) + (PW_2QW_2) + (PW_3QW_3)] / (Q_0 + QW_2 + QW_3)$ = No price dilution effect
- Case 2 : $[(P_0Q_0) + (PW_2QW_2)] / (Q_0 + QW_2)$ = 0.13%
- Case 3 : $[(P_0Q_0) + (PW_3QW_3)] / (Q_0 + QW_3)$ = No price dilution effect

PW_2 is the exercise price of MINT-W8 which is 28 Baht per share

PW_3 is the exercise price of MINT-W9 which is 31 Baht per share

In case 2 the existing shareholders will be diluted by 0.13%

Effect on EPS Dilution

Due to 2020 performance showing loss, EPS dilution would not been calculated.

If a Warrant Holder fails to submit supporting documents for the exercise of the Warrants as prescribed by paragraph 3) of this Clause 1.2.8, the Company and/or the Agent Receiving Exercise Intention reserve the rights to consider that such Warrant Holder does not intend to exercise the rights under the Warrants. Nevertheless, the Company and/or the Agent Receiving Exercise Intention can exercise its discretion to allow such Warrant Holder to exercise the Warrant(s) as it deems appropriate.

- 4) To pay the Exercise Price according to the amount specified in the Notification of the Intention to Exercise Warrants Form to the Company or the Agent Receiving Exercise Intention (as the case may be) within the specified period by one of the following methods:
- (i) Money transfer payable to “Minor International Public Company Limited” account number 035-3-03480-5, current account of Siam Commercial Bank, Sukhumvit Soi 71 Branch. Evidence proving the transfer needs to be attached with the Notification of the Intention to Exercise Warrants Form for each exercise.

The exercise of rights to purchase the new ordinary shares shall be considered completed only when the Company and/or the Agent Receiving Exercise Intention has successfully collected the payment of such Exercise Price. If the Company and/or the Agent Receiving Exercise Intention could not collect such payment in whatsoever case that is not due to the fault of the Company and/or the Agent Receiving Exercise Intention, the Company will consider that such Warrant Holder intends to cancel his/her respective intention to exercise his/her rights to purchase the new ordinary shares. In such case, the Company and/or the Agent Receiving Exercise Intention will return the Warrant certificate or the Warrant Substitute together with the cheque,

cashier's cheque or bank draft which cannot be collected, to such Warrant Holder within 14 days after each respective Exercise Date.

Nevertheless, the Warrant Holders, who are considered to cancel their intentions to exercise their rights to purchase the new ordinary shares under the preceding paragraph, will be able to exercise their rights to purchase the new ordinary shares on the subsequent Exercise Date, except in the case of the Last Exercise Date in which the Company shall consider that such Warrant(s) is nullified without being exercised. The Company and the Agent Receiving Exercise Intention shall not be responsible for any interest and/or damages in whatsoever caused.

Note: The Warrant Holders who wish to exercise their rights to purchase the ordinary shares shall be responsible for any costs including all stamp duty and/or tax (if any) under the Revenue Code, regulations or laws governing the exercise of the Warrants (if any).

1.2.9 The number of the Warrants to be exercised shall be the non-fractional number only. The Exercise Ratio is 1 unit of the Warrants for 1 new ordinary share, except in the case that the Exercise Ratio is adjusted otherwise pursuant to the conditions concerning the rights adjustment.

1.2.10 The number of the new ordinary shares issued upon the exercise of the Warrants shall be calculated by dividing the amount of money received from the Warrant Holder for the exercise of the Warrants as described above by the Exercise Price. The Company shall issue the new ordinary shares in a non-fractional number not exceeding the number of the units of the Warrants multiplied by the Exercise Ratio. If there is an adjustment of Exercise Price and/or Exercise Ratio causing any fraction of share after the calculation, such fraction shall be rounded down and the Company shall refund the money remained from such exercise without any interest to the respective Warrant Holder within 14 days after the respective Exercise Date pursuant to the methods and conditions to be specified by the Company and/or the Agent Receiving Exercise Intention.

Nevertheless, in any case, if the delivery of cheque for: (i) the money remaining from the exercise of the Warrants; or (ii) the money received but the Warrants are not exercised or are not eligible to exercise, has been duly carried out via registered mail to the address specified in the Notification of the Intention to Exercise Warrants Form, it shall be deemed that the Warrant Holder is duly refunded of such money and the Warrant Holder shall have no rights to claim any interest and/or damages due to whatsoever reasons.

1.2.11 If the Company and/or the Agent Receiving Exercise Intention receive the incomplete or incorrect documents for the exercise of the Warrants, or if the Company and/or the Agent Receiving Exercise Intention found any incomplete or incorrect information in the Notification of the Intention to Exercise Warrants Form or the stamp duties affixed thereto (if any) are incomplete according to the Revenue Code, or any applicable regulations or laws, the Warrant Holders shall rectify and correct such error within the Notification Period. If the Warrant Holder fails to rectify and correct such error within such period, the Company shall deem that such Warrant Holder intends to cancel his/her exercise of the Warrants in such exercise. The Company and/or the Agent Receiving Exercise Intention shall return the Warrant certificate or the Warrant Substitute and refund the money received without any interest to such Warrant Holder within 14 days after the relevant Exercise Date. Nevertheless, the Warrant Holder will be able to exercise their rights to purchase the new ordinary shares on the subsequent Exercise Date, except in the case of the Last Exercise Date in which the Company shall deem that

such Warrant(s) is nullified without being exercised. The Company and the Agent Receiving Exercise Intention shall not be responsible for the interest and/or any damages in whatsoever caused.

1.2.12 In the case that the Warrant Holder fails to make a full payment or make excess payment, the Company and/or the Agent Receiving Exercise Intention is entitled to take one of the following actions as the Company and/or the Agent Receiving Exercise Intention may consider appropriate:

(a) The Company and/or the Agent Receiving Exercise Intention may deem that the intention to exercise the Warrants is equal to the lower amount between (1) the amount of the new ordinary shares which shall be received according to the rights and (2) the amount of the new ordinary shares to be received corresponding to the payment made on such exercise received by the Company or the Agent Receiving Exercise Intention at the Exercise Price and Exercise Ratio at such relevant time; or

(b) The Company and/or the Agent Receiving Exercise Intention may require the Warrant Holder to make an additional payment in full corresponding to his/her number of shares to be purchased by the exercise of the Warrants within the Notification Period. If the Company or the Agent Receiving Exercise Intention does not receive the additional payment in full within such period, it shall be deemed that such Warrant Holder intends to cancel the exercise of the Warrants in such exercise only for the portion that has not been fully paid by the Warrant Holder. The Warrant Holders, who are considered to cancel their intentions to exercise their rights to purchase new ordinary shares under this paragraph, will be able to purchase the new ordinary shares in the subsequent Exercise Date, except in the case of the Last Exercise Date in which the Company shall consider that such Warrant(s) is nullified without being exercised. The Company and the Agent Receiving Exercise Intention shall not be responsible for any interest and/or damages due to whatsoever reasons.

In case of paragraph (a) or (b), in the event that there will be any refund of money to the Warrant Holders, the Company and/or the Agent Receiving Exercise Intention shall refund the money remained from the exercise of the Warrants or the money received without any interest to such Warrant Holder within 14 days after the relevant Exercise Date pursuant to the methods and conditions specified by the Company and/or the Agent Receiving Exercise Intention.

Nevertheless, in any case, if the delivery of cheque for: (i) the money remaining from the exercise of the Warrants; or (ii) the money received but the Warrants are not exercised or are not eligible to exercise, has been duly carried out via registered mail to the address specified in the Notification of the Intention to Exercise Warrants Form, it shall be deemed that the Warrant Holder is duly refunded of such money and the Warrant Holder shall have no rights to claim any interest and/or damages due to whatsoever reasons.

1.2.13 In the event that the Warrant Holder delivers the Warrant certificate representing the number of the Warrants more than those he/she wishes to exercise, TSD shall deliver a new Warrant certificate representing the remaining units of the Warrants to such Warrant Holder within 15 days from the relevant Exercise Date, and cancel the former Warrant certificate. Except for the Last Exercise Period, there will not be any issuance of new Warrant certificate anymore.

1.2.14 After the Warrant Holder, who wishes to exercise the Warrants to purchase the new ordinary shares, completes and fulfills all conditions on the notification of the intention to exercise the Warrants, i.e. duly

submitting the Warrants certificate and the Notification of the Intention to Exercise Warrants Form and making full and correct payment for the Exercise Price, the Warrant Holder shall not be able to revoke or cancel the exercise of the Warrants in any case, unless a prior written consent from the Company is obtained.

1.2.15 When the Last Notification Period has lapsed but the Warrant Holder has not yet complied with all conditions on exercise the Warrants, it shall be deemed that such Warrant(s) is nullified without being exercised. The Warrant Holder is thus unable to exercise his/her rights under the Warrants and shall not be entitled to claim against the Company.

1.2.16 The Company will register its paid-up capital with the Ministry of Commerce in the amount corresponding to the new ordinary shares issued pursuant to the exercise of the Warrants within 14 days after each respective Exercise Date. The Company shall arrange for the share registrar of the Company to register the Warrant Holder, who exercises the Warrants, as a shareholder of the Company in the shareholders register book according to the number of shares issued from such exercise.

The Company will submit an application for the listing of the new ordinary shares issued in corresponding with the exercise of the Warrants on the SET within 30 days after each respective Exercise Date.

1.2.17 In the case that the new ordinary shares reserved to accommodate the exercise of the Warrants are not sufficient to accommodate the exercise of the Warrants, the Company shall pay compensation for the damages arising out of the Warrant Holder's inability to exercise the rights under the Warrants. Nevertheless, the Company will not compensate for any damages to the non-Thai Warrant Holders (both individual and juristic person) who are unable to exercise their rights under the Warrants because of a restriction of non-Thai shareholding ratio as specified in the Company's Articles of Association that the shareholding ratio of the non-Thai persons shall not exceed 49 percent of the total issued shares of the Company, although the Company reserved shares are enough.

1.2.18 The Board of Directors or the authorized directors or any person designated by the Board of Directors or by the authorized directors shall be authorized to undertake any actions with regard to determining or modifying the criteria, terms and conditions, and other details related to the Warrants, including the payment method and the calculation of the Exercise Price (including any premium), the first and Last Exercise Date, and any other relevant terms and details. The said person(s) shall also be authorized to negotiate and sign in any relevant documents and agreements and perform any other necessary actions related to the issuance and allocation of the Warrants, the listing of the Warrants to be issued and the ordinary shares to be issued upon exercising the right to purchase ordinary shares under the Warrants on the SET, as well as to proceed with applications for the necessary approval from relevant authorities and to appoint and designate other appropriate persons to be the substitute attorney in fact to perform the above, subject to Clause 3.8 and 13 of these Terms and Conditions and the relevant laws and regulations.

2 Compensation in the case that the Company is unable to provide the new ordinary shares to accommodate the exercise of the Warrants

The Company will make compensation to the Warrant Holders if the Warrant Holders notify their intention to exercise their Warrants in compliance with the conditions as imposed but the Company is unable to provide the sufficient number of underlying new issued ordinary shares to accommodate the exercise of the rights under

the Warrants except for the case of restriction on the transfer and the exercise of the Warrants as specified in Clause 9. The compensation that the Company will pay to the Warrant Holders is calculated by the following formula:

$$\text{Compensation per 1 unit of warrant} = B \times (\text{MP} - \text{EP})$$

In this regard,

- B represents the number of ordinary shares which the Company cannot provide and/or increase in corresponding with the adjustment of the Exercise Ratio calculated per one (1) unit of the Warrant
- MP Market Price per share represents the trading value of the Company's shares divided by the number of ordinary shares which have been traded on the SET on each relevant Exercise Date
- EP represents the Exercise Price or the adjusted Exercise Price in accordance with the conditions for the rights adjustment

In the case that the market price per share of the Company's ordinary shares cannot be determined as a result of no trading of the Company's share on the Exercise Date to be used for calculation, the Company shall instead determine the fair value of the Company's ordinary shares to be used for the calculation.

The Company will make compensation to the Warrant Holders (both individual and juristic person) by cheque (account payee) sending via registered mail within 30 days after the respective Exercise Date without interest.

In addition, in case of the non-Thai Warrant Holders who are unable to exercise the rights because of a restriction of the non-Thai shareholding ratio which stated in the Company's Articles of Association, the Company shall not be liable for any compensation for damages or shall not have any obligation to such non-Thai Warrant Holder, and such non-Thai Warrant Holder is not entitled to claim for any damages or any compensation against the Company whatsoever. However, the Warrant is effective until the expiration date. If, on the Last Exercise Date, the non-Thai Warrant Holders are unable to exercise the Warrants because of a restriction of the non-Thai shareholding ratio under the Company's Articles of Association, it shall be deemed that such Warrant is expired and the non-Thai Warrant Holders cannot claim any interest and/or damages whatsoever against the Company. In the case that the market price per share of the Company's ordinary shares cannot be determined because there is no trading of the Company's ordinary shares during the relevant time, the Company shall instead determine the fair value of the Company's ordinary shares to be used for the calculation.

In addition, in case there is more than one offering price at the same offering of shares under the condition that the subscription must be made altogether, all the offering prices and total number of new ordinary shares shall be used to calculate the net price per share of the Company's new ordinary shares.
